## SWIMMING LESSONS

Swimming lesson sign-up day will be **Tuesday, May 20th - 3:30-6pm at City Hall.**

## DOG LICENSE RENEWALS

Dog license renewals are due by June 30<sup>th</sup>. Forms were sent with the April utility bill. Please make sure to return to City Hall with vaccination records and payment for each dog.

## PLEASE CLEAN UP AFTER YOUR DOGS

On the subject of our beloved pets, we have been getting several complaints on owners not picking up after their dogs – either on our trails or on other people's property. Per City code:

*91.07 NUISANCES, Section D*

*Cleaning up litter: The owner of any animal or person having the custody or control of any animal shall be responsible for cleaning up any feces of the animal and disposing of the feces in a sanitary manner whether on their own property, on the property of others or on public property.*

## 2024 CONSUMER CONFIDENCE REPORT –

The 2024 CCR is available via direct link from our website shown above. A copy will also be posted on the entry board at City Hall. To request a paper copy, please contact City Hall.

## DRIVEWAY PERMITS

Thinking of replacing or putting in a driveway? Before doing so, you will need to obtain a certificate of compliance. There is no fee for this – the placement, size, etc. just needs to be verified first. There is a \$50.00 fee if no certificate of compliance is obtained first before any work starts.

From the Zoning Ordinance:

*Section 5.3. New Impervious Surfaces. No person shall install a sidewalk, patio, driveway, or other impervious surface without first obtaining a certificate of compliance from the City. The installation of new impervious surfaces as part of a project for which the City has already issued a land use permit shall not require a certificate of compliance, provided the new impervious surface was authorized as part of the land use permit. The installation of new impervious surfaces shall not be allowed to cause the lot to exceed the impervious surface coverage limits established in this Ordinance.*

*Section 9.3. Certificate of Compliance. On or after the effective date of this Ordinance no person shall construct, build, place, store or expand any of the following without first obtaining a certificate of compliance from the City:*

- (a) Sidewalk, patio, driveway, or other impervious surface, except for impervious surfaces being constructed pursuant to a land use permit issued by the City. No such additional impervious surface shall be allowed if it will cause the lot to exceed the impervious surface coverage limits established in this Ordinance;*
